MISSION STATEMENT: With God's help we seek to share our love, fellowship, charity and faith with all in the name of our Lord and Savior Jesus Christ.

THE SEASON OF ADVENT

The season of Advent begins this year on Sunday November 27, 2016. There are several changes in the liturgy that comes with Advent. The **Gloria** disappears and is replaced with the **Kyrie**. We do a special lighting of the **Advent Wreath** with congregational participation. We also change to **Eucharistic Prayer B**.

The Adult education team has selected the book "Not A Silent Night" for the adult study to be held on Monday evening beginning November 28 and ending on December 19th. Study will begin at 6:30 pm and end by 8:00 pm. **Please let Mother Sharon or Martha know if you plan to attend so books can be ordered.** In Advent, we not only celebrate the first coming of our Lord, but eagerly prepare for His Second Coming as well, when the restoration of all things takes place.

The vestments and hangings change to **Royal Blue** to better distinguish the Season of Advent from Lent. On the third Sunday, the vestments and hangings will change to rose: for Gaudete Sunday, the plural form of the Latin verb "gaudere" which means to rejoice. In these days of preparation leading up to the feast of our Savior's birth, it reminds us of the joy that is to come, and serves, as a kind of "break" when we recall the hope we have because of the coming of Jesus.

The **Advent Wreath**, a circular evergreen wreath with four candles which reminds us of God Himself, His eternity and endless mercy, which has no beginning or end. The green of the wreath speaks of the hope that we have in God, the hope of newness, of renewal, of eternal life. The candles represent the period of waiting during the four Sundays of Advent, which themselves symbolize the four centuries of waiting between the prophet Malachi and the birth of Christ.

We also have banners on our advent wreath; Hope, Peace, Love and Joy, that correspond with the four candles, and wall hangings. **The Sunday school children will be decorating of the Advent Jesse Tree on November 27th in lieu of a sermon.**

Christmas Eve the Advent candles are replaced with white candles and a center candle (the Christ candle) is added. The Christ candle reminds us that the incarnation is the heart of the season, giving light to the world. These white candles are lit through Epiphany.

It is our hope that this article has provided you some education about the Season of Advent and we look forward to worshipping with you as we ALL prepare for the Second coming of our Lord.

History of Thanksgiving Day

For many of us, the meaning of Thanksgiving usually includes feasting, four day weekend, football games, family reunions, or a forerunner to Christmas festivities. The “first Thanksgiving,” however, was neither a feast nor a holiday, but a simple gathering. Following the Mayflower's arrival at Plymouth Rock on December 11, 1620, the Pilgrims suffered the loss of 46 of their original 102 colonists. With the help of 91 Indians, the remaining Pilgrims survived the bitter winter and yielded a bountiful harvest in 1621. In celebration, a traditional English harvest festival, lasting three days brought the Pilgrims and natives to unite in a “thanksgiving” observance.

The “thanksgiving” meal would not be celebrated again until June of 1676. On June 29 the community of Charleston, Massachusetts proclaimed a day of thanksgiving for their good fortune. One hundred years later, in October of 1777, all 13 colonies participated one a one-time “thanksgiving celebration which commemorated the victory over the British at Saratogo. It would take a span of over 150 years more to establish “Thanksgiving as we celebrate it. George Washington proclaimed it a National holiday in 1789. Lincoln proclaimed the last Thursday in November in 1863, and Congress sanctioned it as a legal holiday in 1941.

The meaning of Thanksgiving has undergone numerous transitions—an expression of gratitude for survival, a council's recognition of it's flourishing community, submission of the local natives, the defeat over the British, resulting in a collection of our nation's traditions and values. Over the centuries, families added their customs to the Thanksgiving celebration, preserving that which they held most precious.

In the Bible, the meaning of thanksgiving reflected adoration, sacrifice, praise, or an offering. Thanksgiving was a grateful language to God as an act of worship. The true meaning of Thanksgiving focuses upon relationship. Thanksgiving is a relationship between God and man. Upon their arrival at new Plymouth, the Pilgrims composed the Mayflower Compact, which honored God. Thanksgiving begins with acknowledging God as

faithful, earnestly giving Him thanks, in advance, for His abundant blessings. Thanksgiving is an attitude of the heart that reinforces an intimate relationship with God.

Please join us on Thanksgiving day at noon, as we honor God by sharing the blessings he has given us, with all of you, our neighbors and friends.

I hope you will also attend the Community Thanksgiving Service on Sunday evening November 20th at Westside Christian Church at 6:00 p.m. The Parsons Ministerial Association provides this service to share the love of God and for the many blessings he has bestowed on all Christians in the Parsons community.

What is the Advent Jesse Tree?

I hope you will be at church on November 27th when the Sunday school children will decorate the Advent Jesse Tree. This article will give you an understanding of what the Advent Jesse Tree is and it's meaning.

Evangelism Update

As we, The Evangelism Team, prepare for the upcoming events of winter, we just wanted to share with you what we are planning for in December. We are preparing to present a float in the December Parade “Make Room for the King!” Individuals have been asked for volunteering for the float and its many facets, costumes, truck, trailer, hay, lights etc. and we are excitedly planning and preparing for “D “day!

The Evangelism Team is ready to step out of our comfort zone and shift our attention not just to our team but to the health and vitality of our congregation. We champion the work of the S.E. Convocation Vision Task Force and the work they shared with us in our parish meeting and we stand in support of this dedicated group as they continue in prayer and diligence to forge answers to the needs of the churches In the SE dioceses’.

We will be talking with you individually, seeking answers as to **what you think we can do** to gain the strength and recognition of ST. John’s within the community. We believe, no we know, that the people of our Parrish do not want to see her “fade into the sunset” and we know that we are all willing and capable of going forth into our future together.

So, in that belief and strengthened by Christ, we will be coming to you with our hearts and our minds open and ready to serve.

Your servants’ in Christ,
Alice, Bess, Verlyn, Gloria and Mother Sharon
